Six Clubs Send Men To Confer With Joy

Bachelors, Meninas Do Not Have Delegates

Presidents of the six campus service clubs, meeting here last night, pledged the united support of their organizations toward promoting the 1934 college Fiesta, to be held May 11.

The meeting of the club leaders, held in conjunction with the Executive Board, was called by President Dick Gardner at the request of Austin Joy, Fiesta chairman.

Joy Reveals Program

Chairman Joy addressed the gathering briefly, revealing the elaborate program already billed and pleading for more spirited support by the organizations.

Clubs and their representatives were Junior Lions, Harry Clark; Buccaneers, Gene Thompson; Gauchos, Clarence Compton; Spinners, Florence Campbell; Moavs, Natalie Neff; and Las Gitanas, Dorothy Ensign.

Alumni Luminaries To Return On Fiesta Day

Many of the former Dons, Donas, and Fiesta chairmen who have served since the first Fiesta in 1928 will appear at the 1934 ceremonies, it was announced today by John "Sky" Dunlap, president of the Alumni association, which is sponsoring the presentation.

Dunlap stated that 17 of the former officials have been contacted, and it is expected that a large majority of them will be present and be introduced. He said that the association is planning to make the bringing back of Fiesta heads an annual tradition.

Today Last Opportunity To Submit Activity Slips

Graduating sophomores who have not already done so must turn in their activity blanks today if they wish them to appear in Del Ano, Gene Thompson, editor, announced. The year book will go to press this week.

"We have added several new features this year," Thompson stated, "and hope to have a Del Ano which is even better than previous editions."

Germans Believe Hitler Is Their New Hope, Tessmann Tells Club

By Eleanor Bowyer

Mrs. Jennie L. Tessmann, college history and astronomy instructor here, declared that "the United States has been a victim of propaganda in regard to Hitlerism" in her address to Phi Sigma Alpha, Thursday.

Mrs. Tessmann was the featured speaker at the political science club's meeting at the home of L. L. Beeman, adviser. Her theme was "Hitlerism."

Danger in Hitlerism

In saying that this country has been the victim of propaganda in regard to Hitlerism, she told of the belief of the German people that in Hitler there is a new hope for Germany.

She said that the greatest danger in Hitlerism is that it may be an over-exaggeration of the nationalism which

has arisen in Germany because of the Versailles treaty and the feelings of the generation born during the war.

Mrs. Tessmann also told of her experiences in getting out of Germany, where she was engaged in astronomical work, after the declaration of war.

Fullerton Visitors

Otis LeRoss, political science instructor of Fullerton junior college, and a group of Fullerton students were guests at the meeting. Plans are being formulated for a Fullerton chapter of Phi Sigma Alpha.

California Is Subject Of Featured Speakers At Fiesta Ceremonies

Osgood Hardy, professor of Spanish history at Occidental college, and Father Arthur Hutton of San Juan Capistrano will be guest speakers at the junior college Fiesta, May 11, announced Austin Joy, carnival chairman, today.

"Why California Belongs to the United States" will be the topic of Professor Hardy, while Father Hutton will speak on "California Missions", it was revealed.

Play Called Off

Since Miss Marian Parks of Los Angeles is unable to assemble the cast for a daytime performance, "Carmela" will not be shown as previously planned. In place of the drama, the morning program will include in addition to the two speakers, entertainment of music and dancing. A Spanish orchestra will be featured.

Fiesta Visitors Record Expected To Be Broken

Over 600 seniors from all Orange county high schools will attend the annual Fiesta ceremonies May 11 as the guests of the Associated Students, it was estimated by T. H. Glenn, Fiesta faculty adviser, today.

A record attendance was established last year with 500 visitors, and it is expected that the record will be easily broken at the 1934 ceremonies, Mr. Glenn stated.

Speculation Theories To Be Discussed Here Today

Revel Miller & Co. local security brokers and members of the Los Angeles exchanges will furnish a speaker for Milton V. Newcomer's investments classes today at 1:45.

Co-ed Makes Chute Jump With Ankle Sprain, Today

Since her parachute was not prepared for the jump Saturday, Barbara Charles, jaycee co-ed and prospective parachute jumper, will make her initial leap this afternoon at three o'clock, it was learned from Miss Charles yesterday.

Although she sprained an ankle while rabbit hunting Sunday, she believes it will be all right to jump today.

Barbara has never had any experience with planes before except for four ground lessons.

Opera Is Cancelled By Jean Baldwin's Illness

Because of the illness of Jean Baldwin and scarcity of time, the opera, "Student Prince", will not be presented by the junior college music department in June.

In place of the opera a concert will be given June 1.

Kring, Tannenbaum Defend Santa Ana Crown

San Bernardino junior college was today being hailed forensic champion of the Eastern jaycee conference following its upset victory over Santa Ana in the championship debate contest here last night.

Walter Kring and Robert Tannenbaum defended the negative side of the question, "Resolved that the Power of the President of the United States Should be Increased as a Settled Policy", for Santa Ana.

Berdoo Has Affirmative

Cleo Skousen and Vernon Johnson, who swept San Bernardino into the finals with the Dons, upheld the affirmative for the Indians. San Bernardino had previously been defeated by Santa Ana.

John H. McCoy, Santa Ana forensic coach, is in his first year in that position. His entire championship squad return to competition next season. Sheldon Hayden, now with Santa Monica junior college, coached the Dons to the conference title last year.

Members of the Santa Ana debate squad, not taking part in last night's contest, include Harold Woodard, Glenn Bishop, and Claude Owens. The Don team of five men claimed victories over San Bernardino, Citrus and Fullerton.

Dr. Crawford F. Brubaker, debate coach of LaVerne college judged the debate and rendered the decision. A. R. Truscott coached the San Bernardino team.

Last night's title match concluded college forensic activities for this year.

Warmer Picked To Speak At College Baccalaureate

Dr. George A. Warmer, pastor of the Santa Ana First Methodist church has been selected by the local Ministerial association to deliver the baccalaureate address at the June 10 ceremonies.

It is reported that the baccalaureate services will be conducted at the local First Methodist church at Sixth and Bush streets.

Fiesta Success Rests With You

EDITORIAL

Fiesta, the outstanding student enterprise of the year, is doomed to ignominious failure unless the universal cooperation of the Associated Students is assured.

Spanish costumes, now available at a Santa Ana clothing store have found very little demand and prospects for a colorful background for the Fiesta look dismal, indeed, prices for these costumes are reasonable and the renting of them is not intended as a commercial gesture. We solicit your support in the costume venture.

Fiesta is the feature tradition of junior college history and autumn enrollment figures depend largely upon the success of the day's activities. But a successful Fiesta is impossible without YOUR support!

EDITORS, NOTE!

News headline: "Sound picture squawks eliminated by new method." Now, if that method could be adapted to soften the periodical outbursts of irate editors—

Should Dillinger and Insull unite forces, the authorities would never get them.

BELIEVE IT OR NOT

(Upon request, with a stamped, self-addressed envelope, the editor will not furnish proof of anything) Santa Ana's successful track team, made up mostly of freshmen, will win the Orange Empire track title next year. Reliable information indicates that all the graduating members of Orange high school's cinder champions will enroll as Dons in September.

AN UNFAIR TRADITION

Americana

By Ray Forrest

The greatest example of overproduction is the overproduction of ignorance in Washington, D. C.

About the only way a prayer can be answered is to send it in written form to a rich relative.

Probably the best way to speed up justice in America would be to exile about half the lawyers and to anoint the judges liberally with "high life".

One thing the devaluated American dollar will do is to keep a lot of American money from being spent in Europe.

How times change. This bit of wisdom comes from "The Canterbury Tales": "All her life she was a worthy woman; she had had five husbands at church-door, besides other company in her youth, but thereof it needs not speak now."

A new altimeter is being perfected that will tell the distance from the nearest ground surface. When walking at night this new altimeter would come in handy in finding the bottom step.

Gym Grammar

A survey has been made at the towel window in the girl's gym for the last week to see how many times the words "hey", "listen", and "gotta safety pin", were said during the day.

"Hey" was found to be away in the lead of the other two. This word was spoken respectively 65, 20, 20, 26, 16 and 18 times for the days surveyed. A total of 165 times spoken just for one week.

"Gotta safety pin?" rated second with a total of being spoken 32 times. It is recorded that it was asked 11, 1, 6, 4, 6, and 9 times during the week. "Listen" came a close third with grand total of 24. Its record 7, 2, 2, 4, 1, and 8 respectively.

This survey proved to be very interesting because many queer things were reported. Some would use all three in one sentence. For instance, on girl said, "Hey, listen, have 'ya gotta safety pin?" Mrs. John Bermann and Helen Blue aided in making this survey.

Orpheo Members Complete Visits To High Schools

Members of the junior college Orpheo Troupe presented their last program of the year at the Orange high school last Wednesday bringing to a close their visits to high schools.

Since the beginning of their tour of schools in February, the troupe has given programs at Newport Beach, Huntington Beach, Tustin, Brea, Olinda, and Orange.

Those participating in the programs were members of the girls' octet: Cleo Smith, soloist; Alta Fisher, pianist; and Dick Gardner, student body president, who spoke on extracurricular activities at the junior college.

"The Rookie and the Rose", a comedy, was given at the performance by Virginia Lee Harper, Bill Courtney, Joe Wilson, Walt Carruther, Tom Cole, and Bill Townhend.

Slavin Homers As Padre Nine Beats Saints 12-1

With Leo Morse and Art Wilde pitching one hit ball and "Big Ben" Slavin homering with two or in the fifth, the jaysee baseball club walloped the Saint nine 12-1 in a six inning tussle Thursday.

The local chuckers were chisled out of a shutout in the second inning when Nitta, Saint second sacker, walked, stole second and third and scored on Stoddard's drive to right field, which was the only Saint of the game.

Padre Baseball Nine To Journey To Fullerton

Local College Nine In Crucial Feature

Santa Ana All-Frosh Squad Back Next Year

By Marvin Spicer

Determined to break out of the cellar, Coach Bill McDaniel and his nine diamond men journey to Fullerton to engage the strong Yellowjackets in a "crucial" baseball game Friday.

Fullerton, after being set back by Pomona will "shoot the works" in order to remain in the drive for the league bunting. This added with the fact that the Swarm is playing on their home field gives the Padre club as hard a job to beat them as a one arm man trying to steal from the church collection.

Fullerton is the one team that lived up to pre-league predictions. Riverside and the Swarm were picked as the teams to beat while Pomona was a dark horse.

Wheeler and Boiseranc are two pitchers of the Yellowjackets that can buzz 'em over. In earlier games they have been as hard to hit as the proverbial carnival nigger.

Because of the good form shown in his recent workouts, Coach McDaniel is planning to start Ray Furuta on the hill. Either Reg Lake or Leo Morse will relieve the petit Furuta if he shows signs of faltering.

McDaniel will be on the receiving end of the battery.

The infield will be composed of Morse at first, Wendall Kanawyer, second, and Art Wilde, third.

The fourth man in the infield will be the hard hitting Reg Lake. Lake is leading the Don swatsmiths with an average of .417.

Dick Clark, Ben "Homerun" Slavin, and Christy Demetriou will patrol the suburbs.

Tiger Raqueteers Blank Local Tennis Team 23-0

Scoring sweeps in both the singles and doubles play the Riverside tennis team blanked the Santa netters 23-0 on the Willard courts Saturday morning.

Because of the employment of two of the Don raqueteers Santa Ana lost one doubles match and one singles match by forfeit.

After winning his first set, Styling forfeited the second to Boyer. Other results of the singles are Reade lost to Davison, McFarland was defeated by Rhudy, and Horton won over Gililand.

Local Conference Winners

When Chuck Malbon and Rudy Holman get through winning mile and two mile marathons for Santa Ana jaysee they can start after Dillinger, because it looks like a long chase. Here the two Dons are caught breasting the tape for victories in both races at the Conference meet Saturday.

Marjorie Lauderbach Cleans Opponents At Fullerton Net Tourney

By Jane Crawford

Marjorie Lauderbach, local tennis star, rocketed to victory in first singles at the third annual women's tennis tournament at Fullerton Saturday.

Dorothy Goudy, and Barbara Dunton, doubles team and Jane Crawford, second singles, accompanied by Miss Zena Leck were the other representatives of the local jaysee.

Marjorie drew a bye the first round, meeting and defeating Long Beach 6-0, 6-1, in the second. She then eliminated the Fullerton contender 6-1, 6-1 to enter the finals with the Pasadena player who had defeated the seeded member of the Los Angeles team in a close match.

The local star completed her wins with a 6-2, 6-0 victory.

The doubles team of Goudy and Dunton drew a bye, were defeated by Compton 6-0, 6-0, and lost to Fullerton 6-1, 6-2 in the losers tournament.

Chaffey, Los Angeles, Riverside, Santa Ana, Compton, Glendale, Long Beach, Pasadena, Santa Monica, Citrus, and Fullerton were represented in the tournament.

Don Nine Errs 10 Times As Tigers Win Tilt 7-3

Taking advantage of 10 Santa Ana misplays to score five runs the Riverside nine boosted their conference average to 500 per cent by out-scoring the Dons 7-3 in a loosely played baseball game at Riverside Friday.

Ray "Ted" Furuta, diminutive Japanese, hurled the entire nine innings for the Dons, but poor support from his teammates caused his eight hit chukking to go for naught.

Lash In Second Round As Favorites Advance

With nine first round matches and one second round match played the Men's singles handball tournament is off to an auspicious start.

Jim Lash, by virtue of wins over John Wells in the first round and Bill Courtney in his second battle, is the first to reach the coveted second round. Lash meets the winner of the Grigg-Baxter go in his next encounter.

Netters Play Fullerton On Local Courts Friday

Definitely out of the race for the league tennis trophy, the staggering Don tennis men play hosts to the unbeaten Fullerton netters here Friday.

Malbon, Zamperini To Contest Post In Mile; Malbon Is Favored

Holman Marked For Second In Two Mile

By Charles Downie

And who will do what in the annual Southern California conference track meet? That along with the problem of hitting the winning formula is making sport scribes feel like the starving tramp in a delicatessen with his last nickel.

Here's the way we were able to figure things with the information at hand. Compton will win!

Pollock Conceded Dashes

Hundred yard dash. Pollock of Riverside is conceded the edge by southern scribes though the more northern brethren pick Crane of Compton to do the trick. Plenty of leeway.

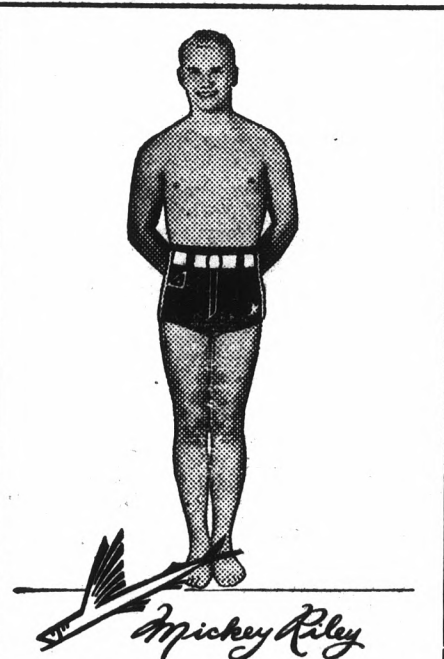

The 220 and 440 do not interest home track frats though we predict that Pollock of Riverside will also figure first in the former and Weaver of Compton should annex the latter.

880 yard run will go to Los Angeles, Spencer. While the discus, broad jump, and relay should go to Parks of Compton, Lloyd of Santa Monica, and Los Angeles respectively.

Santa Ana should place Malbon first in the mile ahead of Zamperini of Los Angeles though the up coast lad turned in a better four laps than did Malbon Saturday.

Holman will dog the heels of Rice, Compton's 9m 45.3s 2 miler, with small chance of taking him unless his condition is better than it has been all season.

The pole vault should go all western with Limeburner of L. A. taking the cream. He did 13 feet 2 3-8 inches Saturday.
